REVIEW ENGAGEMENT REPORT

To the Management of Canadian Association of Medical Teams Abroad

We have reviewed the statement of financial position of Canadian Association of Medical Teams Abroad as at April 30, 2015 and the statements of operations, changes in net assets and cash flows for the year then ended. Our review was made in accordance with Canadian generally accepted standards for review engagements and, accordingly, consisted primarily of inquiry, analytical procedures and discussion related to information supplied to us by the Association.

A review does not constitute an audit and, consequently, we do not express an audit opinion on these financial statements.

Based on our review, nothing has come to our attention that causes us to believe that these financial statements are not, in all material respects, in accordance with Canadian accounting standards for private enterprises.

The financial statements for the year ended April 30, 2014 were neither audited nor reviewed and are presented for comparative purposes only.

CANADIAN ASSOCIATION OF MEDICAL TEAMS ABROAD

NOTES TO FINANCIAL STATEMENTS

APRIL 30, 2015

1. NATURE OF THE ORGANIZATION

Canadian Association of Medical Teams Abroad (CAMTA) is a dedicated group of medical and lay individuals who give their time and expertise to provide medical and surgical treatment to underprivileged individuals in Quito, Ecuador. The Organization is incorporated under the *Provincial Society's Act* as a not-for-profit organization and is exempt from income tax as a registered charity under the *Income Tax Act*.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations. Significant accounting policies are summarized below:

a) Basis of Presentation

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations. These financial statements include the revenues, expenses, assets and liabilities of the Organization.

b) Cash and Cash Equivalents

Guaranteed Investment Certificates are classified as cash equivalents.

c) Revenue Recognition

CAMTA follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue during the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Membership and donations are recognized as revenue in the fiscal year to which they relate.

d) Property and Equipment

Purchased property and equipment are recorded at fair market value at date of purchase. Contributed property and equipment are recorded at fair value at the date of contribution. Amortization is calculated on the diminishing balance method. The rates used, as set out below, are estimated to be sufficient to amortize the cost of the property, plant and equipment to residual value by the expiration of their useful lives.

Computer equipment	55%
Furniture and fixtures	20%
Equipment	10%

Property and equipment are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable.

Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to estimated undiscounted future cash flows expected to be generated by the asset. If the carrying amount of an asset exceeds its estimated future cash flows, an impairment charge is recognized by the amount by which the carrying amount exceeds the fair value of the asset.

CANADIAN ASSOCIATION OF MEDICAL TEAMS ABROAD

NOTES TO FINANCIAL STATEMENTS

APRIL 30, 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

e) Contributed Services

Volunteers donate services throughout the year to assist the Organization in carrying out its medical and surgical activities. Due to the difficulty of tracking and determining their fair value, contributed services are not recognized in the financial statements. Donated materials that the Organization would have otherwise purchased are recorded at their estimated market value at the date the materials were received.

f) Use of Estimates

The preparation of these financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions regarding significant items such as amounts relating to amortization and impairment of tangible capital assets that affect the amounts reported in the financial statements and the accompanying notes. Actual results could differ from those estimates.

g) Financial Instruments

Measurement of financial instruments

The Organization initially measures its financial assets and financial liabilities at fair value adjusted by, in the case of a financial instrument that will not be measured subsequently at fair value, the amount of transaction costs directly attributable to the instruments.

The Organization subsequently measures all its financial assets and financial liabilities at amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in net income.

Financial assets measured at amortized cost include cash, cash equivalents and accounts receivable.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities, accrued vacation payable and government remittances payable.

The Organization has no financial assets measured at fair value.

Impairment

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in net income. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in net income.

h) Foreign currency

Foreign currency denominated monetary assets are translated to Canadian dollars at the exchange rate in effect at the statement of financial position date. Revenue and expense items are translated at the exchange rate in effect at the time of the transaction. Foreign exchange gains or losses are included in the determination of excess revenue and gains over expenses and losses for the year.

CANADIAN ASSOCIATION OF MEDICAL TEAMS ABROAD

NOTES TO FINANCIAL STATEMENTS

APRIL 30, 2015

3. CASH AND CASH EQUIVALENTS

	<u>2015</u>	<u>2014</u>
Cash	\$ 266,192	\$ 390,629
Guaranteed Investment Certificates	<u>231,973</u>	<u>132,676</u>
	<u>\$ 498,165</u>	<u>\$ 523,305</u>

The Guaranteed Investment Certificates bear interest at rates ranging between 1.60% and 1.80% and mature at dates between November 9, 2015 and April 18, 2016.

4. GOVERNMENT REMITTANCES PAYABLE AND RECEIVABLE

Government remittances (other than income taxes) include federal sales taxes, payroll taxes, and employment credits.

	<u>2015</u>	<u>2014</u>
Employment credit receivable	\$ -	\$ 1,168
Source deductions (payable)/receivable	<u>(1,459)</u>	<u>743</u>
	<u>\$ (1,459)</u>	<u>\$ 1,911</u>

5. PROPERTY AND EQUIPMENT

	<u>Cost</u>	<u>Accumulated Amortization</u>	<u>Net Book Value</u>	
			<u>2015</u>	<u>2014</u>
Adult operating equipment	\$ 66,240	\$ 19,009	\$ 47,231	\$ 45,932
Anaesthesia equipment	99,792	25,304	74,488	56,841
Computer equipment	1,300	1,037	263	585
Office equipment	1,232	522	710	887
Pediatric operating equipment	18,175	5,588	12,587	13,986
Software	<u>2,875</u>	<u>2,875</u>	<u>-</u>	<u>-</u>
	<u>\$ 189,614</u>	<u>\$ 54,335</u>	<u>\$ 135,279</u>	<u>\$ 118,231</u>

CANADIAN ASSOCIATION OF MEDICAL TEAMS ABROAD

NOTES TO FINANCIAL STATEMENTS

APRIL 30, 2015

6. DEFERRED REVENUE

Deferred revenue relates to operating funding received in the current fiscal year or earlier that is related to expenses of a subsequent fiscal year. The changes in the deferred revenue relates to gaming funds.

	<u>2015</u>	<u>2014</u>
Deferred revenue, beginning of year	\$ 29,932	\$ 78,123
Less:		
Amounts recognized as revenue (net of expense)	(41,982)	(48,981)
Transferred to Tangible Capital Assets	(34,598)	(1,300)
Add:		
Amounts received during the year	<u>80,772</u>	<u>2,090</u>
Deferred revenue, end of year	<u>\$ 34,124</u>	<u>\$ 29,932</u>

7. RESTRICTED BLOOD FUND

In 2013, CAMTA received a donation to be used specifically to reimburse patients for part of the cost of blood purchased for their surgery. These funds are expected to last a period of three years after which this program will be funded from general revenues.

8. FINANCIAL INSTRUMENTS

Fair Value

The fair value of cash, cash equivalents, accounts receivable, accounts payable and accrual liabilities, government remittances payable and accrued vacation payable approximate their carrying amount because of the short-term nature of these instruments.

Nature and extent of risks arising from financial instruments

It is Management's opinion that the Organization is not exposed to significant liquidity, interest, market, or currency risk arising through its financial instruments. The following analysis provides information about the Organization's risk exposure and concentration.

CANADIAN ASSOCIATION OF MEDICAL TEAMS ABROAD

NOTES TO FINANCIAL STATEMENTS

APRIL 30, 2015

8. FINANCIAL INSTRUMENTS (continued)

Credit Risk

The Organization is exposed to credit-related losses in the event of non-performance by counterparties to financial instruments. Credit exposure is minimized by dealing mostly with creditworthy counterparties.

Currency Risk

The Organization is exposed to currency risk, as a certain portion of expenses are incurred in U.S. dollars. Certain cash, cash equivalents and accounts receivable are denominated in U.S. dollars. These balances are therefore subject to gains or losses due to fluctuations in that currency.

9. CONTINGENCY

The Organization is exposed to risk of loss for equipment and supplies held in Quito, Ecuador as they are unable to obtain insurance on the equipment and supplies held in another country. In the event of a natural disaster or political disruption the equipment and supplies could be destroyed or seized. Management feels that the possibility and scope of such events cannot be reasonably estimated at this time and therefore fair values cannot be reasonably determined.

10. COMPARATIVE FIGURES

Prior year financial statements were prepared by another accounting firm and were not reviewed.
