## NOTES TO FINANCIAL STATEMENTS

APRIL 30, 2021

---

### 1. NATURE OF THE ORGANIZATION

Canadian Association of Medical Teams Abroad (CAMTA) is a dedicated group of medical and lay individuals who give their time and expertise to provide medical and surgical treatment to underprivileged individuals in Quito, Ecuador. The Organization is incorporated under the *Provincial Society's Act* as a not-for-profit organization and is exempt from income tax as a registered charity under the *Income Tax Act*.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations. Significant accounting policies are summarized below:

#### a) Cash and Cash Equivalents

CAMTA's policy is to present bank balances and term deposits (GIC's) with a maturity period of one year or less under cash and cash equivalents.

#### b) Revenue Recognition

CAMTA follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue during the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Membership and donations are recognized as revenue in the fiscal year to which they relate.

#### c) Property and Equipment

Purchased property and equipment are recorded at fair market value at date of purchase. Contributed property and equipment are recorded at fair value at the date of contribution. Amortization is calculated on the diminishing balance method. The rates used, as set out below, are estimated to be sufficient to amortize the cost of the property, plant and equipment to residual value by the expiration of their useful lives.

|                        |     |
|------------------------|-----|
| Computer equipment     | 55% |
| Furniture and fixtures | 20% |
| Equipment              | 10% |

Property and equipment are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable.

Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to estimated undiscounted future cash flows expected to be generated by the asset. If the carrying amount of an asset exceeds its estimated future cash flows, an impairment charge is recognized by the amount by which the carrying amount exceeds the fair value of the asset.

# CANADIAN ASSOCIATION OF MEDICAL TEAMS ABROAD

## NOTES TO FINANCIAL STATEMENTS

APRIL 30, 2021

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### d) Contributed Services

Volunteers donate services throughout the year to assist the Organization in carrying out its medical and surgical activities. Due to the difficulty of tracking and determining their fair value, contributed services are not recognized in the financial statements. Donated materials between \$120,000 to \$140,000 per year that the Organization would have otherwise purchased are not recognized in the financial statements as the Organization does not receive an invoice to be able to accurately value these items.

#### e) Foreign currency

Foreign currency denominated monetary assets are translated to Canadian dollars at the exchange rate in effect at the statement of financial position date. Revenue and expense items are translated at the exchange rate in effect at the time of the transaction. Foreign exchange gains or losses are included in the determination of excess revenue and gains over expenses and losses for the year.

### 3. PROPERTY AND EQUIPMENT

|                               | Cost              | Accumulated<br>Amortization | Net Book Value   |                  |
|-------------------------------|-------------------|-----------------------------|------------------|------------------|
|                               |                   |                             | 2021             | 2020             |
| Adult operating equipment     | \$ 66,240         | \$ 41,140                   | \$ 25,099        | \$ 27,889        |
| Anaesthesia equipment         | 99,792            | 60,208                      | 39,584           | 43,983           |
